Attention Coaches:

Would you like an easier and more effective way to help develop your feeder teams? What if I told you they could participate in a competitive league that gives your high school team credit towards free league entries in June and/or extra training for your players? If you thought about answering yes to either of these questions, you will definitely be excited to learn more about **Jr. Prep Leagues**.

EBA's **JR. PREP Leagues** were formed in 2008 to not only provide outstanding basketball opportunities to area teams, but also to give back to area kids and schools that participate in these leagues. **JR PREP will be hosting their 10th year of their Feeder Team Leagues for Girls.** Our Jr. Prep Leagues are not bound by restrictive rules, is very affordable, and gives back to the schools that participate in it! What else could you ask for?

EBA's **JR PREP LEAGUES** will begin November 11th and conclude with 1 day tournament on January 13th. Leagues will consist of 8 games played over 7 weeks. Individual awards will be presented to all members of the regular season championship team and tournament champions. ISHAA rules will be followed except for: playing two-14 minute stop clock halves, 5 minute warm up and half times, and 2- full time outs per half. Cost for the leagues will only be \$79 per player with a minimum of eight players required per team. Jerseys included for each team.

High school programs that enter a team into the league will be given \$100.00 per team in credit towards EBA's June/August High School Leagues, can be used toward your players training at EBA or their INDIANA ELITE - SWISH travel team expenses!

We will have the flexibility to schedule around most conflicts as long as they are noted well in advance.. League will offer a **NEW 3rd/4th grade division** along with the 5th/6th and 7th/8th grade divisions. **Players will be able to play up a division but never down a division.** All games will be played at the Evansville Basketball Academy and only qualified officials will be used. Experience shows us that just because they are patched it does not mean they are qualified!

I'm looking forward to working with all area coaches in an effort to help their players and feeder teams become better while also giving back to each school program. Feel free to give me a call or email me with any questions you may have. I can be reached any time at 812-476-6654 or by email at pkessler@ebahoops.com.

Hope to see you on the court soon,

Phil Kessler
