**This first year team compiled an impressive record of 31-11 while winning 4 tournament titles. Out of town tournaments included Belleville, IL, Clarksville, TN, Louisville KY, St. Louis, MO, and Indianapolis, IN. They also played up, in the 7<sup>th</sup> grade division in 3 events as well as the 7<sup>th</sup>/8<sup>th</sup> grade league going 6-2. Look for an even stronger team next year as we continue to grow this age group.**

In what maybe one of the strongest team in SWISH history and one the best team in the Midwest last year, this team completed its first year with a 54-8 record. They won 10 of 12 events including 4 National Events! Road trips included Dayton, OH, Indianapolis, St. Louis, South Bend, IN, Ft. Wayne, IN, and several trips to Louisville, KY. They also helped the SWISH program win the National Club Championships in INDY. Although several players have recently been unethically recruited by other programs, we know that they main force of this team will remain intact. Additionally, because of last years success we have been contacted by a few other outstanding players in the area who are planning on trying out for this team and not playing for their school programs so they can expand their games further. Expect this team to be one of the top teams in the Midwest again this upcoming year.

Completing their 3<sup>rd</sup> year together, this group did not have the same time of success they have previously had but still managed a 26-11 record winning a title along the way. They played a much tougher schedule which included The National Club Championships; The Adidas May Classic, The Greater Midwest Classic in St. Louis, and The USSSA Nationals in Ft. Wayne. Late season scheduling conflicts hurt them in the summer. Expect to see some major shake ups on next year's So.- to be team as their schedule will even be harder playing in more college exposure events, therefore total commitment from the players is a must.

**Great job done by Coach Smith as this group improved more than any team in the program! Finishing the year with a 29-18 record, winning 2 events, and playing up a few times really helped these players better prepare for their high school careers. They attended out of town events in Louisville, Nashville, Indianapolis, St. Louis, and Murray, KY. Of their 18 loses 11 of them were decided in the 4<sup>th</sup> quarter indicating they were very competitive all year long. Many of them have continued to workout and play in the summer/fall leagues and will be way ahead of everyone else this upcoming year. We are really looking forward watching these players grow and hope to see several of them back next year.**

A rash of injuries, late season commitment issues, and an extremely tough schedule made for a long but successful year. With a 17-15 record which included games at The National Club Championships in Indianapolis (2<sup>nd</sup> place), Greater Midwest Classic in St. Louis (2<sup>nd</sup> place 3OT defeat), Adidas May Classic (Semi Final in Silver Division), Louisville Legends Classic (2<sup>nd</sup> place), Hoosier Shootout (won pool) and Kentucky Hoopsfest. This team was very competitive against sponsored teams like the: Michigan Mustangs, St. Louis Majestics, Team Canada CIA-Bounce I & II, Indiana Elite-Indy, and Indiana Spiece-Indy Heat. We'd like to see this group stay health, add/change a few players, and play this type of schedule again. Look for tryouts to be schedule around the end of Feb. or early March

After some very unethical moves by another local club, we had to total revamp this age group for this year. We'd like to praise Kreig Oxley, Trey Hughes and Charlie Gonzales for understanding what a commitment is all about! Although a 14-17 record is not what we expected. We did overcome a number of injuries, some player's lack of desire to work hard, and a few dropping off because they could not handle the tough competition or level of play which was attended. We did reach 4 consecutive semi final appearances at the National Grass Roots Shootout, The National Club Championship, The Adidas May Classic, and the Louisville Legends Classic. However, we did struggle with the July schedule as that is when injuries and commitment issues occurred. We are looking forward to watching some of these outstanding young men complete their senior years and help with their recruiting as they continue to work hard towards their college careers.
