

2013 Review of Boys Indiana S.W.I.S.H./ Indiana Elite Teams

Nice rebound from the previous year's boys program. We found two exciting new teams in the 5th and especially the 6th grade team. Boys 10th grade had a really strong July and better positioned several in their college recruitment.

IE-SWISH won yet another National Club Challenge Title, help raise the all-time win total to over 2300 with 114 titles and counting!! Most importantly, the vast majority of the kids really improved their play by playing with and against the best kids around.

Each year the program draws better players from the around the tri-state and continues to strive to make each one of them better thru individual skill work, more advanced team concepts as well as playing with and against the top talent. When teams find success they find themselves playing up a division instead of just feeding on easier opponents and not pushing them to become better.

All interested players are encouraged to contact us as we structure next year's team by interest, talent levels, and commitments. Contact us at swish@ebahoops.com or return the player profile found on the swish page.

While the season did not start out as planned nor did we get in as many games as we would have liked, they sure played some outstanding basketball in July including winning the Silver Division of the Gym Rats NCAA Certified event in Ft. Wayne to end the year. Finishing the year with a 18-7 record and All Gold Division appearances at the Adidas May Classic, Arch Challenge, Adidas Spring Classic and ultra-competitive Adidas Summer Invite shows how strong of a year they had. At the level they played at all games are extremely tough and wins are hard fought and loses had no regrets as everything was left on the floor. We look forward to adding 2-3 players to this team to help with the depth and another strong performance next year.

For the most part this was a completely new team with a good number of kids playing this type of travel ball for the first time. Coach LaGrone did an outstanding job of developing the talent and adjusting to the each tournaments strength of talent. With a 26-10 record and tournament titles in Marion Madness event and GymRats event in Louisville they had a nice year. Two tough injuries at the MYT Nationals ended their year in the quarterfinals on what looked like their best event to date! While several players will be back for next year, Coach LaGrone is already out looking for the few key missing pieces so we can build for the future. If you're tired of playing with the rest, it might be time to come play for the best program within 150 miles

What a great surprise from this first year team! A 28-9 record with tournament titles at National Club Challenge, Arch Challenge, and AYBT in Franklin, TN. Semi Finals at the Adidas May Classic and Cardinal Classic while playing up a grade! Great run was also ended in quarterfinals of the MYT Nationals with a key ankle injury. Can't wait to make a few changes to the core of this team and watch them continue to improve next year

Nice job for this first year team. A 20-13 record and playing a difficult schedule was a pleasant surprise for this group.

Tournament title at the National Club, 2nd place finish at MYT in Indy and ABYT in Franklin, TN made for a nice showing. While Coach Sanford was able to juggle coaching two teams this past year, he is going too stuck with the older group in 2013. Therefore this group will see a new leader and suspect several player changes as well. **ALL INTERESTED PLAYERS AND COACHES SHOULD CONTACT INFO@EBAHOOPS.COM for player profiles or to express interest in coaching**
