Coach: Lucious Wagner

8th Grade boys teams had a great run despite being hit by the injury bug the entire year. Coach Wagner did an outstanding job of expanding everyone's ability, bball IQ and the importance of stretching and nutrition. They finished the year with a strong 36-6 record and 3 titles including the Bearcat Invitation at U of Cincy and MYT Nationals in Louisville. They never had more than one defeat in any event nor failed to reach the Semi Finals either. Coach Wagner has declined to continue coaching and focus more in individual/small group training instead.

Coach: AJ Bost

The 7th grade team finished with a 19-19 record despite Coach Bost, being unable to fulfil the entire years schedule due to change in his work schedule. The year started off a little rough got better midseason and we decided to end the year early, since we were not able to provide adequate coaching. We will not be fielding a team at this age group in 2016
