The Boys U-12 team finished their year with a record of 31-7. They won events 5 Tournaments this past year. In fact, of their 7 loses only 4 of them come to teams at their same age division. There is no doubt this team can achieve over 180 wins before they are finished playing. We are looking forward to even bigger and better things from this team in years to come!

The Boys U-13 team finished 46-10 and simply played outstanding ball all year long. They competed in older divisions several times and still managed an incredible record! With wins against several of the regions best teams, our U-13 has earned a reputation that INDIANA S.W.I.S.H. teams are not to be taken lightly.

Because of the players moving, other sport commitments, and changes in our programs there might be a few limited number of spots available next year. If you are interested in being a part of this top notch team, please take a moment and fill out the player profile (located on the SWISH home page).

Head Coach: Stan Roesner

This team completed an outstanding year with a 27-8 record. Considering the fact they played almost half their games against players one and two years older, its easy to see why they are the brightest team in the SWISH program. They competed in several National Events, 2 NCAA Certified Events, and never lost to any U-14 or 15 teams from the Tri-State!! Each one of these players elevated their games over the spring/summer. We can't wait to see them on the court as high school approached as they should be the areas stars of tomorrow.

Coach: Charlie Willett

Our Boys U-16 completed their first year together with a 13-18 record. At first glance it may not appear as impressive as some of our other teams, but consider the fact they lost 11 games by less than 6 points. This team could have easily been 20-11. They played against the top teams from Illinois, Iowa, Wisconsin, Michigan, Florida, Ohio, Tennessee, Kentucky, and of course Indiana. We are looking forward to taking this team to the next level next year. Although Coach Willett did a fine job this past year, we will be making a coaching change as well as several other adjustments to our High School age teams next year.

We are currently in discussions with one of the most well respected college coaches in the country. Details will be announced once things are finalized. All players that feel they have the talent to play in college, are willing to commit to that goal, and will continue to strive to reach it should complete the Player Profile and stay in contact with us as your High School Season progresses. We will have our coaches out keeping an eye on the areas talent.
