Consider that this first year team played up in the 9<sup>th</sup> grade division in 4 of their 7 tournaments, finishing with an impressive 23-10 record (8 loses by 6 points or less), what a first year! They won the Grass Roots State Championships, won MYT National Championships in Louisville and held the Kentucky All Stars to only 6 points in the second half the annual boarder war. Additionally, tournaments were the Greater Midwest Classic in St. Louis, National Club Championships in Indy, Kentucky State Championships & the highly competitive Bluegrass Open in Louisville, and games in Noblesville and Bloomington. Team will be split into 2 teams for next year and ample talent to continue on this past year's success.

Coach: Scott Hettenbach

Finishing the year with a strong 23-9 record, which included 2 Titles at the War on the Floor in Nashville and MAYB Open Division, a lot of college exposure and improvement from everyone made for a highly successful year. They played in 3 Adidas sponsored NCAA certified events (Noblesville and Indy) as well as the Mohr Magic invite, the Blue Grass Open in Louisville, and the Fieldhouse Player Invite. Several players also combined with players from the older team to play in the Adidas's Hardwood National Championships in Bloomington and the USA Exposure event in Cincy. We know there will be a few changes to next year's team and look forward to another successful season.

### **Coach: Stu Oberg**

In what has been a great 9 years for many of these outstanding young ladies, a 22-23 record was not exactly what they had in mind but they competed in every game and played at a much higher level then ever before! Events include Adidas's Circle City Classic, USA Tip Off Classic, National Hardwood Championships, and Summer Slam. Additional events included Bluegrass Open & Hoop La in Louisville, Mohr Magic Invite in Noblesville, MAYB Open Division, and a pair of wins vs. the Kentucky Jr. All-Stars. A special thanks to Coach Oberg who has been an enormous asset to many of these girls of the year. Stu's mother passed away this past spring and to honor her, Coach Oberg and I have started a Memorial Scholarship fund for one girl each year who has contributed the most to the program, has outstanding character, strong classroom work, and will be extending her education in college next year. The first recipient is Sarah Thomas.
