

## **2016 Indiana Elite – S.W.I.S.H. Boys 8<sup>th</sup> grade team**

Coach Sean LaGrone did another strong job taking a group without much travel ball experience, molding them to become competitive team, really help prepare them for High School and tried to get them to understand that it is time really start working if they want to keep up or get left behind. Finishing the year with a 22-10 record a pair of tournament titles, and strong semifinal appearance at the always tough Adidas May Classic highlight the year
