

INDIANA elite

2018 was our 16th year in the travel basketball world. Things continue to change within that world, but our commitment to ensure the improvement to our players has not. While a few parents are only worried about wins and losses and a few others are only focused on getting their kids “ranked” over improvement. AAU basketball is not for everyone nor is our program. We are going to have regular practices, improve thru skill development, team concepts and have our kids prepared for the next level of basketball, whatever that level may be. For those not interested in these believes, we would encourage you to explore if the grass is really greener with someone else....

Our program went 195-100 with 15 more titles in 2018. This brings our overall record to 3466-1700 and 155 tournament titles. Our 9th grade team had an outstanding going 40-9 and winning 3 NCAA certified exposure events. Other strong highlights included 6th and 8th graders winning Reebok Arch Madness in St. Louis, 7th graders winning the Bearcat Invite in Cincinnati along with Final 4 appearance in the GOLD division at Rising Stars National Champions, 8th graders 9-0 in the Platinum Division of Battle of the Boro and all teams had a winning record for 2018.

2018 Girls 17u Coached by Mark Hisle

23	Jocelyn Spaulding	Union Co., KY	2020
32	Kenna Hisle	North	2020
33	Alison Hein	Vincennes Lincoln	2019

Disappointing that Alison was never able to play due to surgery, but a strong year for a team of mixed aged groups nonetheless. 25 -12, winning their pool at Run 4 the Roses and a 5th place finish in the Silver division at Adidas Nationals despite injury to Meredith Raley, showed just how hard these girls played this past year. Raley, Hudson and Rieckers (twice) made the all tournament teams at their US Jr National Events. We are excited to have the class of 2020 back for their final year as well as seeing the class of 2019 have success in their final year of HS and prepare to play beyond.

A completely new group of young ladies made up this year's team. They were extremely fortunate to have Wabash Valley Head Coach Jack Trosper guiding them this past year. While it did take them a little while to gel and showed some inconsistency along the way, they were able to achieve a 20-19 record. Strong performances enabled them to reach the semifinals in the Platinum division at the Spring Classic in Louisville, won their pool at Run 4 the Roses and won the consolation division at Adidas Nationals. Lettie Nice also made the All-Tournament team at their US Jr. National event. We look forward to several of them joining our returning 2020 players from Coach Hisle's team to form a very solid team for next year.

2018 Girls u15 Team Coached by Luke Scheidecker

#	Player	High School	Class of

32	Peyton Murphy	Memorial	2021
33	Kylee Shelton	Bloomfield	2021

This team played with as much heart and effort as ANY TEAM in program history, thus easily making a TOP 10 team in our 16 years! They won 4 (3 NCAA Certified events) tournaments, placed 3rd at Adidas Nationals finished with a 40 – 9 record. All of this, despite a number of major injuries along the way that left them with only 7 girls coming down the stretch! Coach Scheidecker did a great job with the girls as they played some of the best teams around the country. Fleming, Gordon, Dickerson and Sisk all made All Tourney teams this past year. We look forward to 2019 to see what a completely health team can accomplish. Much more improvement could earn them a TOP 5 team ever with Indiana Elite S.W.I.S.H.

2018 Girls 8th Grade Team Coached by Robby Jones

#	Player	Future High School	Class of
1	Hadley Lytton	Heritage Hills	2022
3	Jesse Ledgerwood	Washington	2022
10	Aspen Sermersheim	Jasper	2022
11	Isabell Grimes	Breckenridge Co., KY	2022

21	Mya Johnson	Central	2022
22	Camryn LaGrange	Mad. N. Hopkins, KY	2022
33	Raigan Price	Union Co., KY	2022
42	Myah Montgomery	Southridge	2022
55	Taylor Hart	Gibson Southern	2022

Finishing the year with a 42-19 record, winning 5 events (playing up in several events) and gaining much exposure to what the next 3 years will bring on the travel circuit was a great experience for most players. Jesse got hurt right after making the US Jr. Nationals all tournament and was lost for the last few month.

Commitment was an issue to a few and still Robbie found a way to get the most out of the girls that wanted to improve and give the effort. We will be looking to make several adjustments for next year to avoid uncommitted players as they have to get more serious about their desire to get better and reach the next level.

2018 Girls 7th Team Coached by Phil Kessler

#	Player	Future High School	Class of
1	Gracie Kramer	Vincennes Lincoln	2023
2	Devyn Barton	Castle	2023
3	Marie Tempel	Southridge	2023
4	Maddie Kautzman	Gibson Southern	2023

22	Sydney Deters	Castle	2023
23	Brylee Delano	TBD	2024

32	Julia Economou	Castle	2023
34	Molly Schmitt	Mater Dei	2023
35	Rilee Riggs	Mt. Carmel. IL	2023

This team picked up right where they left off by winning the Bearcat Classic in Cincy right out of the gate. A tough schedule of events included playing up a grade a few times, 2 - 8th grade boys leagues and several games in a high school league lead to a 44 – 23 record. They won the Silver division of the Under Armour Jr. Nationals, a Final 4 appearance at the Rising Star Nationals and Devyn Barton making the US Jr. National tourney team in Mason OH. An enjoyable group of young ladies and wish them much success as they continue forward with their games

2018 Girls 5th/6th Grade Team Coached by Sean LaGrone

#	Player	Future High School	Class of
2	Sophia Johnson	Memorial	2024
3	Molly Schulte	South Spencer	2024
13	Jaci Layne	Memorial	2024
20	Carson Parks	TBD	2025
23	Avah Montgomery	Southridge	2025

33	Delany Hunt	Castle	2024
34	Macy Sexton	Vincennes Lincoln	2024
42	Kaitlyn Cox	Boonville	2024

Sean did a great job of taking of mix of 5th and 6th grades with no travel ball experience and developing them as the year went along. Everyone got better and it showed as they become a much better team winning their division in a very hostile environment in St. Louis. They finished with 24 -18 record and look forward to many of them coming back next year along with some new faces and build from where they left off.
