Noah Shooting Camp – Each player will spend time on our new computerized shooting system, working on correcting their shooting mechanics and learning how to develop a much more consistent shot every time out! Some game play.

Offensive Skills Camp – Players will take their fundamentals to the next level by learning how to use them to become a more potent offensive player, showing them how to use one move to set up the next one. Some game play.

ELITE PLAYERS Camp – This camp will be run like some of the better HS practices. We will be working on advanced skill development, installation of offensive movements, defensive adjustments, and live scrimmages. Camp will also include lots of 2 on 2, 3 on 3 games and will help players become more aware of mismatches and transition opportunities, as well as the all-important defensive transition stops.
